

MEMORANDUM

To: President William Houk, OFE (Ret.)
OFCA Membership

From: Chief Porter R. Welch, J.D., OFE, OFC

Date: June 1, 2018

Re: Report of the Mobile Integrated Healthcare Committee

Since the 2017 Annual Conference, the Mobile Integrated Healthcare Committee has not had cause to hold a formal meeting. Members of the Committee continue to field inquiries regarding mobile integrated healthcare, instruct courses, and provide information to parties interested in mobile integrated healthcare and implementing programs.

The Committee and I would like to thank you for the opportunity to serve the membership of our Association and the Board of Directors.
